### House Appropriations Request FY 2010

**Project Name:** Transit Systems in the Triangle, NC  
**Recipient:** NCDOT - Public Transportation Division  
**Recipient Address:** 1553 Mail Service Center

**Recipient City:** Raleigh  
**Recipient State:** NC  
**Recipient Zip:** 27699

**Amount of Request:** \$5,000,000

**Explanation of the request (must include purpose and why it is a valuable use of taxpayer funds):**

Funding will be used to replace buses within three transit systems within the Triangle area of North Carolina. City of Raleigh (CAT), the Town of Chapel Hill, and the Triangle Transit Authority (TTA) have developed a MOU and will replace existing aging buses within all three fleets in a rolling manner. Public transportation is a key public service in the Triangle area of North Carolina. These transit systems are experiencing significant increases in ridership and are challenged to maintain current levels of service.

*In order to offer more opportunity for public scrutiny, I have posted information on each project request submitted to the Appropriations Committee at the time the request was made.*
